

ROAD MAP TO SUCCESS FOR HEAD START DECISION MAKERS!

Training and Technical Assistance Services at Western Kentucky University is pleased to extend an invitation to provide targeted training to your Policy Council, Governing Body, and Management Team.

The roles and responsibilities of the Governing Body and the Policy Council, as outlined in the Head Start Act and the Head Start Program Performance Standards require planning, communication, and a clear vision.

T/TAS can tailor professional development opportunities that are accurate, relevant, and up-to-date to include in your technical assistance plan today!

“TRAINING AND TECHNICAL ASSISTANCE- Appropriate training and technical assistance shall be provided to the members of the governing body and the policy council to ensure that the members understand the information they receive and can effectively oversee and participate in the programs of the Head Start agency”. Section 642(d)(3) of the Head Start Act.

During federal monitoring visits, Head Start and Early Head Start programs are now required to document and show that training for the Governing Body and Policy Council has occurred.

Let T/TAS come in and conduct this important training for you. Every participant will receive the newly revised guide, *“Road Map to Success for Head Start & Early Head Start Decision Makers.”* This informative document includes pertinent information for both the Policy Council and the Governing Body, as well as for the Parent Committee(s).
